League of Active Young Leaders for Sustainable Development

Greetings of Peace!

Congratulations! We are pleased to inform you that **LEAGUE OF ACTIVE YOUNG LEADERS FOR SUSTAINABLE DEVELOPMENT** has been selected to be part of the *Salimbago: Storytelling for Peace and Social Change Fellowship Programme*. This fellowship programme is part of IDEALS' peacebuilding initiatives in the Bangsamoro region.

The Initiatives for Dialogue and Empowerment through Alternative Legal Services (IDEALS) is a non-government organization that aims to uphold human dignity, facilitate access to justice, and assert rights with the poor and marginalized.

Our organization has been in the Bangsamoro Autonomous Region in Muslim Mindanao since 2017 and has been conducting projects such as mobile civil registrations and legal missions, humanitarian aid and communications, sessions on human rights awareness, and media for peacebuilding.

IDEALS is implementing the Mindanawon Voices for PEACE (People's Participation and Empowerment, Amplifying Narratives, and Social Cohesion) Project which aims to drive sustainable and transformative changes through amplifying peace narratives via community-led media platforms. Part of this is equipping key stakeholders such as your organization with skills to confidently tell and own Bangsamoro narratives.

The Salimbago Fellowship Programme is an intensive 4-week program designed for local youth organizations in Lanao del Sur and Maguindanao provinces to develop their capacities in recreating Bangsamoro narratives at the grassroots level. After the program, you will have an opportunity to secure a small grant to fund your proposed communication for peacebuilding projects.

The program launch will be held on **16 April at Alamid Graden Convention, Shariff Aguak, Maguindanao del Sur, from 8AM-4PM**. We will be providing more logistic details once your organization has confirmed your participation, which you may do until **9 April, Tuesday**.

We have attached the concept note for the program, which outlines the schedule for the fellowship programme. Please note that only organizations with 90% attendance during the fellowship will be eligible for the grant funding. Should you have any questions or clarifications, please do not hesitate to contact Sadria Kendayo at +63 967 972 7317.

Thank you!

Sincerely,

Mikhaela Dimpas
Program Manager, Peacebuilding and Communication for Development
