Dear OC Cluster RC Heads,

Good day!

As we finalize the Consolidated WFP LIB for FY 2025 under OC Cluster (Income Only), please submit your wish list of equipment or activities you propose for funding with corresponding justifications. Given the limited budget ceiling, the Chancellor will review all submissions and determine the priorities for the upcoming year.

You may access the form here:

**Status Report: Current Year Funded Equipment**

Office	Item	Amount	Status
CASC	Desktop Computers (3pcs)	120,000.00	PPMP Only
Campus Sec	Photocopier	200,000.00	Obligated
OffCom	Camera	154,000.00	Obligated
	Telephone Lens	48,000.00	Obligated
SID	Camera	50,000.00	PPMP Only

Also, this is a gentle reminder for CASC and SID to actively monitor the procurement status of the equipment funded for your respective offices and provide us with the updates. In case you no longer need these funds, please inform us immediately so we can modify them to other priorities set by the Chancellor.

Thank you for your prompt attention to this matter.

**Deadline: 5:00 PM, August 14, 2025**
