

Welcome to the MSU-IIT Department of Philosophy and Humanities MS in Applied Ethics (MSAE) Program Institutionalization Survey.

This needs assessment survey for the institution of a Master of Science in Applied Ethics program in MSU-IIT provides prospective student and currently graduate student with a unique formal opportunity to share her/his experiences and suggestions for the development of the program. The survey may take about 2-3 minutes to complete. Your participation in this survey is completely voluntary; you may skip any questions or end the survey at any time.

Protecting Your Privacy: Please be assured that all of your responses will be maintained securely and confidentially. The results of this survey will be analyzed and reported only as aggregate data. If you have any questions or concerns, you may contact the Department of Philosophy and Humanities, 3rd Fl, New CASS Bldg, MSU-IIT, Iligan City, or you may email: fernando.garingo@msuait.edu.ph.

THANK YOU VERY MUCH!
