Landmarks of Adventure: PALAKASAN Installation Art

Famed as a well-balanced institution, the Mindanao State University-Iligan Institute of Technology (MSU-IIT) takes immense pride and honor in possessing a knack for academic and artistic excellence. In PALAKASAN 2024, the seven kingdoms in the Land of Ooo engage in a battle of building arts that do not solely satisfy aesthetic needs but also cater to the demands of timelessness and influence.

Necromancy: The Conquest

Exhibiting a mysterious and intriguing exterior, the College of Arts and Social Sciences (CASS) put together a portal leading to the kingdom of Anarchosphere. What was supposed to be a demonic landfall was transformed by the Lethal Arachnids into a kingdom ruled by leaders of intellect and conscience, spinning their deadly weaves around whoever tried to get in their way of securing peace and prosperity in the land.

Guardian of the Dragon Skyline: The Dragon City's Realm

A true dragon's realm, the dragon's head stands tall in the heart of the College of Economics, Business, and Accounting (CEBA). The dragon's head, a masterpiece of sculpture, is a testament to the dragon's power and the dragon's realm. The dragon's head is a masterpiece of sculpture, a testament to the dragon's power and the dragon's realm. The dragon's head is a masterpiece of sculpture, a testament to the dragon's power and the dragon's realm.

Frosty Shark Kingdom

Nothing screams College of Health Sciences (CHS) quite like a shark's mouth, slowly shut to reveal the shark's teeth. The shark's mouth is a masterpiece of sculpture, a testament to the shark's power and the shark's realm. The shark's mouth is a masterpiece of sculpture, a testament to the shark's power and the shark's realm. The shark's mouth is a masterpiece of sculpture, a testament to the shark's power and the shark's realm.

Evolutionary Triumph: Overcoming Against Ignoring Threats

Nothing is more as great as the College of Education (CED) against the threat of Ignoring Threats. The College of Education is a masterpiece of sculpture, a testament to the College of Education's power and the College of Education's realm. The College of Education is a masterpiece of sculpture, a testament to the College of Education's power and the College of Education's realm. The College of Education is a masterpiece of sculpture, a testament to the College of Education's power and the College of Education's realm.
