Montanasas               | (0965) 539 0138   | The environment is not very ideal. There are a lot of cats and they poop everywhere leaving some disturbing smell. The laundry area is small. They have a poor drainage system causing awful smell and food in the said area. My rent is not worth my room because its small and I don't have sockets, which I originally thought that it was the same for all the rooms but its not. Also, the internet connection is not stable so it is inconvenient for us whenever we do our school activities or attend our online classes. I am hoping to transfer within this month but the dormitory has a 1 year contract (we need to pay the remaining months if we are going to transfer before the contract ends) and I don't think I can still continue living here because it's not worth my parents' money. "Maayo lang sa sugod" would be the phrase to describe this dormitory. | Tibanga   | <a href="https://drive.google.com/open?id=1t4y-B1hxXDZ6-JaCB8R9M/MrZ0PCLwMfY8">https://drive.google.com/open?id=1t4y-B1hxXDZ6-JaCB8R9M/MrZ0PCLwMfY8</a> |

It's very unwelcoming, especially for the visitors who would like to visit the boarding house. The reason is that the sink beside the front gate has no proper drainage and waste container, so the food leftovers are left behind the front gate, causing a very fishy smell.   | Tibanga   | <a href="https://drive.google.com/open?id=1P4yKAsxrkPdv2LuwZca45TPuBtoRB9">https://drive.google.com/open?id=1P4yKAsxrkPdv2LuwZca45TPuBtoRB9</a>         |
