LOOK!

Here are some snaps from the Grand Opening of the University's Bistro on February 15, 2024, at the first floor of the Graduate Dormitory.

The ribbon cutting was led by Vice Chancellor for Student Services, Dr. Rohane Derogongan and Director of Office of Student Residences and Food Services, Prof. Cheryl Encabo.

The university bistro serves as a communal space on campus where students, and even faculty and staff can gather to enjoy meals, snacks, and beverages. It provides a convenient and social environment for IITians to meet, relax, and have informal discussions.

Unwind and connect at the University Bistro!
